Eidgah, Cox'sBazar Bangladesh

## Experience

1. **Full Stack E-commerce Web Application**
   demo:(https://h-mart-shop.vercel.app/)
   - Developed frontend using React.js and Bootstrap, creating an intuitive user interface.Designed backend with Express.js and MongoDB, ensuring robust API endpoints and efficient data handling.
   - Integrated key features including login, registration, booking, SSL Commerce payment integration, admin dashboard, and sorting products by brand, category, and price.
   - Engineered implementation of Redux Toolkit to streamline data fetching and enhance state management efficiency; reducing API call response time by 40% and state-related bugs by 50%.
   - Demonstrated strong knowledge of database design, implementation, and optimization using MongoDB.

2. **Developed an Bikroy website clone**
   demo: (https://ponno-sheba.vercel.app/)
   - Developed a sleek e-commerce website using React.js and Tailwind CSS and redux for state management allowing users to create, read, and share products.
   - Implemented features such as a login system, email verification, profile image change, brand and category management, and CRUD operations for products.

3. **Blogging Website Developer**
   demo: (https://blogging-peach.vercel.app/)
   - Built a simple yet elegant blogging website using React.js and Tailwind CSS, providing users with a platform to create, read, and share blog posts.
   - Developed a clean and visually appealing design, enhancing user engagement and navigation

## Education

### Diploma in Computer Engineering
### Cox's Bazar Polytechnic Institute
- 7th semester ongoing
- Dept: CSE
- Cox's Bazar Polytechnic Institute

### Secondary School Certificate
### Eidgah Adarsha Shiksha Niketon
- Result: 4.39 out of 5.00
- Passing year: 2020

## Summary

Mern Stack Developer To evolve as a proficient full-stack developer, harnessing expertise in JavaScript frameworks like React, Node.js, Express.js, and MongoDB to innovate within web application development. Committed to advancing in IT through strategic utilization of my knowledge, skills, analytical abilities, and communication prowess, fostering collaborative teamwork and achieving exceptional results.

## Language

1. **Bangla** — Native
2. **English** — Proficient

## Skills

- **Languages & Frameworks**: JavaScript, React, Redux, Next.js, Node.js, Express.js
- **Libraries & Tools**: Bootstrap, Tailwind CSS, Mongoose, GitHub, Vercel
- **Database Management**: MongoDB
- **Web Development**: HTML, CSS
- **API Development**: RESTful APIs
